Certificate of Test 32861

European Directive 2004/108/EC regulating electromagnetic compatibility of equipment. The equipment noted below has been tested and where appropriate meets the EMC requirements of the harmonised standards listed in accordance with the conformity assessment procedure for apparatus described in Annex II.

Equipment:	TITAN 300
Model Number:	TIT3000014
Unique Serial Number:	TVo1462
Manufacturer:	Pestwest Electronics Denholme Drive Ossett West Yorkshire WF5 9NB
Customer Purchase Order Number:	008808
Full measurement results are detailed in Report Number:	02-064/3286/1/07
Test Standards:	EN 55014-1: 2000, A1, A2 ↳ EN 55022:1998, A1, A2 Class B EN 55014-2: 1997, A1 Category 1

**DEVIATIONS:**

Deviations from the standards have been applied. For details refer to section 4.2 of the report.

This certificate relates only to the equipment as identified by a unique serial number and in the condition at the time it was tested. Any compliance statements are made reliant on the modes of operation and the failure criteria as instructed to us by the Manufacturer based on their specific knowledge of the application and functionality of the equipment tested. The measurement uncertainty gives a 95% confidence that the equipment meets the limits specified in the standards.

Date of Test: 13th February 2007
